

MAKING A NUTHER-MOYOOP (SUBMISSION)

We encourage all First Peoples to participate in Yoorrook's work. This information sheet talks about how to make a nuther-mooyoop (submission). For more information see Information sheet 2: Different ways to tell your truth.

WHAT CAN I EXPRESS IN MY NUTHER-MOYOOP?

You can express anything you like about your (or your family and community's) past or current experiences of systemic injustice. You can make your nuther-mooyoop as an individual or as a group.

Nuther-mooyoop can take any form you choose. It can be:

- a written account
- a photo
- a video or audio recording
- a story or poem
- a recording of a dance or song
- a submission or letter you sent to a complaints body, other agency or previous inquiry
- a truth telling object, such as an artwork, cultural artefact, or something that you have made
- any other form of expression you wish to share

You can make your nuther-mooyoop electronically. You can also give or loan Yoorrook a physical truth telling object, like an artwork or cultural artefact.

There are some truth-telling objects Yoorrook cannot accept for cultural or legal reasons, such as ancestor objects, like tools, shields, baskets or clothing. If you have these items, please contact us and we can help find the right place for them.

WHAT WILL YOORROOK DO WITH MY NUTHER-MOYOOP?

Yoorrook will use the information in your nuther-mooyoop to tell the story of how colonisation has impacted First Peoples, the strength and resilience of First Peoples, and the survival of cultures, knowledge and traditions. Your truth-telling will also help us make recommendations for healing, system reform and practical changes to laws, policy and education.

Yoorrook protects the information rights of First Peoples through our Indigenous data sovereignty protocols. You can choose whether all or only parts of your nuther-mooyoop are used by Yoorrook on the website, in publications, or displayed at events.

You can also choose whether the parts that can be used are used with your name or anonymously. You will be asked to decide how you want your nuther-mooyoop to be treated by Yoorrook.

For more information see Information sheet 4: Indigenous Data Sovereignty and Data Governance.

Nuther-mooyoop - Boonwurrung word for 'truth'. This is what is often referred to as making 'a submission'.
