Heywood Sub-Branch (Victoria)

President D. M. Moore
Secretary D. A. Nicol

To The Minister of Lands

Dear Sir,

The above Sub Branch, at its September meeting, passed the following motion: "That the proper quarters be approached with the view of trying to have the Landak Mission Station cut up and given to the Aboriginal and half caste returned Servicemen with the view of settling them under a scheme similar to that of the Soldier Settlements plan."

We would greatly appreciate it if you would give our motion support as we consider these men should be given the opportunity to settle down and reap the benefits due to them from a grateful country.

I am,

Sir,

Yours sincerely

D. A. Nicol

Hon Sec.
