

## **Submission to Yoorrook Justice Commission**

**From:** Heathcote Health

**Dated:** 28 March 2024

**Submission:**

We are working with local community groups in reconciliation yarning and narrative interviews along with Loddon Mallee First nations research group.

Training and education is mandatory at Heathcote Health along with liaison and networking.

Establishment of an Aboriginal health committee allows free flowing discussion to take place with relevant parties. Consumer input into our artwork outside spaces and accessibility is achieved.

See Attached.
