

Submission to Yoorrook Justice Commission

From: Anonymous 0559

Dated: 23 April 2024

Submission:

Country is the centre of my being. Without Country I am lost.

My family member was stolen from their country and taken to the Bass Strait Islands where they was sold into a loveless marriage.

Taking care of country gives mob a happy mind.

I would like to see it workshopped with mob to find consensus for us all about land, sky and waters.
