**Submission:**

As child of stolen generation member, I am frustrated that there is no support for us as children that were hand inter generation trauma and no support from any stolen generation services as we were not removed. [REDACTED] passed he left trauma with my brother and myself however we are only entitled to apology this does not help me I am kinship carer saving to buy house however this goal is getting harder and harder to reach, I want to buy home the DFFS and VACCA will not help with this and I am not entitled to any funding as [REDACTED] is deceased so their fore this dream of owning home for the kids I have in my care is real struggle. We know our mob die early than normal Australian so when me my husband die our children will be homeless therefore how do we protect them. I have [REDACTED] children in my care [REDACTED] removed and [REDACTED]

[REDACTED] however there is no support in general for stolen generation children. I am kinship care that have struggled for [REDACTED] years with children that were sexual abused, and drug effects and medical issues also support all these children during covid when [REDACTED] had mental health break down and the welfare services removed these children as their lack of understanding of grief and mental health around grief, their lack of documentation of any other matters list above and their lies [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] The courts and DFFS and VACCA can strip a parent

of their rights and family of their rights go against the Children and Youth Act and Aboriginal placement principles, I seen this happen [REDACTED]

We are educated and passionate to keep our family together. Racism within the school and lack of cultural safe spaces for students. Lack cultural audits done on schools. [REDACTED]
