

Submission to Yoorrook Justice Commission

From: Anonymous 939

Dated: 4 September 2024

Submission:

the truth telling commission must publicise the record of the story of William Buckley The Wild White Man who lived for many years among Victorian aboriginals prior to white settlement in Victoria and who recorded those years upon being found by the first Victorian white settlers. The truthful history of the aboriginal peoples' cultures and life in those years is basic to the current truth telling.
