How could First Peoples' history and culture be better taught at school?

It to be taught by someone who is First Nations. If that means getting a guest speaker in for the school so be it, it needs to be taught.

How could Aboriginal kids be better supported at school?

Make a permanent role in ALL schools where there is a First Nations wellbeing worker.

How else could we improve the Victorian education system for First Peoples?

Have someone on the board of education who would represent First Peoples.
