Submission:

What do you know about the colonisation of Victoria and its impacts on First Peoples?

Im ashamed to say very little.

What has been your experience learning about First Nations history and culture in Victoria's education system? Do you feel it was comprehensive?

I am an expat New Zealander who has lived in Melbourne for 49 years so am unable to answer this question.

What changes would you like to see in Victoria to promote better understanding and respect for First People's?

A treaty.

In what ways do you think non-First Nations Victorians can contribute to the process of truth-telling and treaty?

By educating themselves
