

Submission to Yoorrook Justice Commission

From: Dee

Dated: 16 November 2024

Submission:

I prefer bail
To jail
But if you're black
You get custodial
If you're white you get bail.
Time to stand up
And change the race Start seeing black
As not a crime,
But essential to this place
Stop packing jail
With blakfullas

Hip hop song inspired by my experience of the judicial system.
