

I'm the Vice President of [REDACTED] based in [REDACTED]. I have been with the club for [REDACTED] and a committee member for [REDACTED].

Our previous President and [REDACTED] resigned due to the reasons listed below. The current President and Treasurer are also being treated the same.

The [REDACTED] that are doing this were voted off by Special Resolution in [REDACTED] and tried moving the club out of [REDACTED], as they reside in [REDACTED]. I believe their behaviour is to get us off the committee so that they can take over and move the club.

I have been:

- Intimidated
- Threatened
- Accused of stealing money.
- Denied access to communication with our members ie. Emails and Facebook.
- Accusations of being underhanded.
- Abusive Language.
- Manipulation
- Lied to.
