Aboriginal people attacked by Aboriginal people
Colonial Frontier Massacres, Australia, 1788 to 1930
Please read the Introduction for more information about this map.
NB: Points are imprecise to approx. 250m. Sources rarely provide an exact location and some incidents took place over a broad area.
The Colonial Frontier Massacre Map has undergone regular revision. Massacre sites and details have been modified, removed or added to as more information became available. See Updates and Changes.
