Submission:

What do you know about the colonisation of Victoria and its impacts on First Peoples?

It was bad and still has ongoing negative impact on First Peoples lives

What has been your experience learning about First Nations history and culture in Victoria's education system? Do you feel it was comprehensive?

Non existent, I'm from overseas

What changes would you like to see in Victoria to promote better understanding and respect for First People?

Whatever First People want in Treaty. If they want changes to better promote culture they can plan that in if they don't then it's up to them.

In what ways do you think non-First Nations Victorians can contribute to the process of truth-telling and treaty?

Listen and obey the Treaty and call out racism and injustice

In what ways could First Peoples history and culture be promoted in Victoria?

It depends on how First People want it to be promoted but I like cultural tours like at Tower Hill
